

Chaplain's Message — October 2014 — Rev. Frank Donio, S.A.C.

Dear Brother Knights,

Heartfelt congratulations on receiving the [2014 Outstanding College Council Award](#) from the Supreme Council of the Knights of Columbus! The award is very well-deserved and exemplifies unity. It is the culmination of the work of many over recent years who have built CUA Council into what it is today. The Supreme Council is recognizing the excellent work that you and your predecessors have done. Several officials from Supreme noted that to me over the course of last weekend's College Council Conference. May you continue to build upon what you have done and achieve even more as Catholic Gentlemen in service to Christ and his Church.

God works in and through us. Your deeds of charity and your witness of fraternity offer to the campus community and beyond an example of faithful service that evangelizes. My prayers continue for you and know that my support is with you now and always.

Vivat Jesus!

Fraternally,

Fr. Frank
